

PTSA Sponsored Book Sale at Registration!

Your English teachers are very excited to share some wonderful literature with you this school year. For your convenience, we have asked Barnes and Noble to set up a book fair for us at Registration. Though we will be providing copies of the books in our classes, you might want to pick up your own copy- then you can annotate, mark it up, easily finish assignments, and reread for pleasure to your heart's content! Barnes and Noble will also have books available to sell at their Aliso Viejo store on the same dates as registration.

We hope you will find the sale of these books convenient. The sale of these books generates funding for the English Department, and helps with adding additional titles to our teaching reserves. Your purchase has a direct, positive impact on our AVMS Reading Program.

Please keep in mind that purchasing these books is absolutely optional!

**Please note that the Constitution of the State of California requires that we provide a public education to you free of charge. Your right to a free education is for all school/educational activities, whether curricular or extracurricular, and whether you get a grade for the activity or class. Subject to certain exceptions, your right to a free public education means that we cannot require you or your family to purchase materials, supplies, equipment or uniforms for any school activity, nor can we require you or your family to pay security deposits for access, participation, materials, or equipment.*
